

## Yeager Airport Advertising Big Screen LED Advertising Now Available at CRW

## 2010 Large Screen LED Display Discounts

Yeager Airport Advertising in conjunction with the Central West Virginia Convention & Visitors Bureau is currently offering discount savings in advertising opportunities on its 156 square-foot LED Big Screen Outdoor Advertising Display Screen.

The discounted cost of this outstanding advertising venue is only **\$200 a month**, based on a one-year agreement.

The large-format, **20mm Galaxy pro Outdoor Video LED** monitor is mounted on the terminal side of Yeager's parking facility for an expansive view from anywhere in the front of the airport. The 17-foot wide by 10-foot high screen is computer programmed on a pre-timed schedule of 100 displays per day. It displays local information, and advertisements, providing a media that is more efficient and cost effective to over 1 million viewers annually.

All ads can be scheduled for display based on businesses' needs and current availability.
