## YEAGER AIRPORT WORKING TO KEEP FLIGHTS RUNNING ON TIME DESPITE WINTER STORM

“At this time, scheduled departures out of Yeager Airport (CRW) are running on time,” reports Yeager Airport Director, Terry D. Sayre, “and only one flight—to Philadelphia, has been canceled.”

Airport staff encourages travelers to continue checking in with their airline for updates before traveling to the Airport over the next couple of days. Many airlines are offering travel waivers to those passengers that are scheduled to travel January 4-5, 2018 due to the forecasted winter weather in the Northeast/Southeast and Mid-Atlantic regions.

“Yeager Airport’s snow removal team is out in full force, and is diligently working to keep airport roads and the runway clear,” said Sayre.

Yeager Airport is responsible for an annual economic impact of \$174,662,309, adding 1,876 full time equivalent jobs, and is critical to the economy of the area. Four airlines service the airport, providing eight nonstop destinations and serving 425,000 passengers, annually.
