

**Yeager Airport
Request for Qualifications
RUNWAY & AIRFIELD PROJECTS**

The Central West Virginia Regional Airport Authority (CWVRAA) seeks Statements of Qualifications from aviation consulting firms to provide professional services for the following projects:

- Runway rehabilitation
- Runway Safety Area improvements
- Taxiway and apron rehabilitation and construction
- Other airfield engineering services as required

A major aspect of the project will be a rehabilitation of Runway 5/23.

Evaluation and selection will be per AC 150/5100-14D. Selected firm will develop a Scope of Services subject to the review of the FAA, Beckley Airports Field Office, and enter into contract negotiations with CWVRAA.

Limitation of Liability and Insurance

CWVRAA will not accept a contract that limits the bidder's liability to the amount of the contract;

The minimum limits for professional liability shall be primary \$2,000,000.00 and excess of in the amount of \$3,000,000.00;

CWVRAA reserves the right to increase the amounts of professional liability insurance dependent on the risk after review of the bids;

The successful bidder will also have to show proof of Commercial Liability Insurance, Employers Liability Insurance (a/k/s stop gap coverage), Property and Casualty insurance if not included in the CGL and Commercial Automobile Liability insurance in the amounts to be determined CWVRAA following the review of the bids;

CWVRAA will be a named insured on the CGL, Property and Casualty, and Automobile Liability Insurances;

The successful bidder will be licensed to do business in the State of WV and will be in good standing with the Office of the Secretary of State.

Submittals are due by 1:00 pm Tuesday, October 28, 2018 at the Airport Director's Office:

Yeager Airport
