FOR IMMEDIATE RELEASE

# PRESS RELEASE

**YEAGER AIRPORT, CAMC WOMEN AND CHILDREN'S HOSPITAL & THE CAMC FOUNDATION UNVEIL NEW PLAY AREA & NURSING MOTHER'S ROOM**

Thanks to the CAMC Foundation and CAMC Women and Children's Hospital, Yeager Airport (CRW) has two new amenities for traveling families—a play area and nursing mother's room.

“The CAMC Foundation is proud to collaborate with our friends at Yeager Airport to bring a new play area for little travelers to enjoy,” said Gail Pitchford, CAMC Foundation President.

Both the play area and nursing room are located in the Gate B2 area, adjacent from the café and gift shop.

“Yeager Airport is proud to offer these amenities to traveling families” said Airport Director, Terry Sayre. The Airport has additional plans to make CRW even more family-friendly as we attract additional vacation travelers.
