**Notice for Public Comment on Passenger Facility Charges**

October 10, 2019

The Central West Virginia Regional Airport Authority is posting this public notice as part of the Passenger Facility Charge process under 14 CFR §158.24.

Description of new projects being considered:

Project	Amount	Detailed Description	Justification
Terminal Rehabilitation	\$4,890,500.00	Replace jet bridges; rehabilitate roofs; replace signage; replace public address system and flight information display system; replace heating ventilation and air conditioning units; rehabilitate entrance to concessions and passenger screening checkpoint, ADA accessibility improvements, replace baggage conveyors	Preserving capacity
Apron lighting	\$800,000.00	Replace lighting with LED, add lighting in areas not currently covered	Preserving capacity
Snow removal equipment acquisition	\$1,114,000.00	One snow broom, two dump trucks with plows and spreaders, deicing truck	Preserve Safety

Acquire Dynamic Friction Tester	\$20,000.00	Acquire one dynamic friction tester	Preserve Safety
	\$6,824,500		

The Airport proposes a PFC level of \$4.50 and to roll over the remaining PFC authorized bond principal (estimated to be approximately \$250,000) on November 30, 2019 for a total estimated PFC revenue of \$8,000,000 (including interest charges). The estimated charge effective date is November 30, 2019, the estimated charge expiration date is December 1, 2031.

The public has 30 days from the date of this notice to file comment. The final date for comment is Monday, November 11, 2019. If you have questions regarding the proposed PFC projects please contact Airport Director Nick Keller at [nick@yeagerairport.com](mailto:nick@yeagerairport.com).

Sincerely,

Nick Keller  
Airport Director
