# PRESS RELEASE

## DELTA TO ADD ADDITIONAL DAILY ATL FLIGHT FROM CRW IN JULY

Starting July 3<sup>rd</sup>, Delta Air Lines will resume a second, non-stop flight from Yeager Airport (CRW) to Hartsfield-Jackson Atlanta International Airport (ATL). Delta had reduced service from CRW earlier this year due to the COVID-19 pandemic.

“We are very happy to see frequency returning to CRW,” said Yeager Airport Director, Nick Keller. “Additional frequency means better connections and flight times for our customers. We hope to see even more flights between CRW and ATL come back in August.”

When booking your flights, please review COVID-19 airline guidelines. Visit [yeagerairport.com](http://yeagerairport.com) for additional COVID-19 guidance and notices.
